Introducing Freecom DataBar:
Access your files anytime. Anywhere!

Freecom DataBar has always provided the ultimate cost-effective mobile storage solution for people on the go. Offering capacities up to 8GB we launch our newly designed DataBar which is even smaller and stronger than before! Working on a presentation, a document or e-mails and need to take them with you? No problem! Want to share new MP3 files or digital pictures with your friends? It is really easy! Simply copy the files onto DataBar and take them with you. To access your data, simply plug DataBar into any PC or MAC – without the need for software drivers, bulky cables or adapters. Anytime. Anywhere! Keep it simple!
